1. TERMS OF AGREEMENT

Any order by a person ("Buyer") for goods and/or services ("Purchase Order"), if accepted, is accepted subject to these Standard Terms and Conditions of Sale ("T&Cs"), which are incorporated into any acceptance, acknowledgement, invoice, and other documents issued by the IMI company ("Seller") identified in such document in response to such Purchase Order (each a "Response"), and any reference thereto shall include these T&Cs. No waiver, alteration, or modification of these T&Cs shall be valid unless expressly agreed to in writing by Seller. Any different, additional, or conflicting terms or conditions set forth in Buyer's Purchase Order or any other document issued by Buyer are expressly objected by Seller, and the terms hereof, including those contained in the applicable Response, shall exclusively govern the purchase and sale of the goods and/or services covered by the Response unless there is another manually signed agreement between the parties, which shall control to the extent there is a conflict between the terms of such agreement and these T&Cs.

2. PAYMENT TERMS

Net 30 days from the date of invoice. Buyer agrees that any overdue amounts shall be subject to a late payment charge on the overdue balance of 1.5% per month or such lesser amount as is the maximum rate of interest allowed by law. Buyer shall pay all reasonable costs, including attorneys' fees, incurred by Seller while collecting any delinquent balance. Debit memos are not accepted.

3. PRICE

Seller's list or quoted price is subject to change without notice. Prices do not include shipping and handling or sales taxes, if applicable, that Buyer shall be responsible for. If Buyer has tax exempt status, Buyer is required to provide a resale certificate or manufacturing exemption certificate to Seller. The goods are invoiced at prices in effect on date of shipment.

4. DELIVERY TERMS

All goods are sold Ex-Works at Seller's facility ("Shipping Point") Incoterms® 2020. Unless otherwise specified, Buyer shall pay or reimburse Seller for all transportation, freight, insurance, loading, packaging and handling charges, taxes, duties, fees, storage, and all other charges applicable to the goods and/or services. Dates for delivery are estimates, not guarantees, and are established in the Response. Expedited shipping requests are subject to Seller's review and an expedite service fee. Drop shipments from Seller directly to Buyer's customers are subject to a fee equal to Seller's freight cost plus 10%. Seller reserves the right to make partial shipments with an associated partial billing. Shipment of goods ready for delivery can be deferred beyond the date for delivery only with Seller's written consent.

5. TITLE/SECURITY

Title to the goods shall be retained by Seller, as a vendor's lien, until such goods are paid for in full by Buyer. However, Buyer will bear the risk of loss of the goods. Buyer hereby grants Seller, and Seller hereby reserves, a purchase money security interest in and to the goods sold to Buyer together with all proceeds thereof to secure Buyer's performance and payment. Buyer agrees upon Seller's request to do all acts and execute all documents reasonably necessary to assist Seller's perfection and maintenance of any such security title and right of possession, including, but not limited to, executing and filing documents with the appropriate governmental agency.

6. ORDERS

Buyer shall submit a Purchase Order for the goods and/or services which shall, at a minimum, include, where applicable: (a) part number(s) of the goods ordered; (b) quantity; (c) requested delivery date; (d) shipping instructions and shipping address, including a statement that the goods will be shipped "EXW Shipping Point" and if the Purchase Order states otherwise, the shipping terms shall be Ex-Works Shipping Point; and (f) a

description of services, if any. All Purchase Orders are subject to acceptance by Seller. Buyer shall be responsible for all additional costs resulting from errors made in connection with Purchase Orders, even if accepted by Seller. These T&Cs and Response will constitute the final and entire agreement between Seller and Buyer. Confirming Purchase Orders will not be accepted by Seller. If such a confirming Purchase Order is sent to Seller, it may be treated as an original open Purchase Order and duplicated. Seller will not be responsible for expenses or inconveniences incurred thereby. If Buyer's Purchase Order is in the form of a blanket purchase order, Buyer agrees that each release shall be treated as a separate sales transaction hereunder, that all releases shall be non-cancellable and, unless agreed in writing by Seller, all releases under such blanket purchase order shall be accepted by Buyer within 12 months of Seller's Response. If the aggregate purchase price of goods pursuant to a Purchase Order is under \$200, a \$20 processing and handling fee will be assessed to such Purchase Order.

7. ORDER CANCELLATION/AMENDMENT

Purchase Orders cannot be cancelled or amended except by Seller's written consent. Cancellation charges may be applied at Seller's discretion. If Buyer requests a change in the scope of work or of any services, Seller may, in its sole discretion, provide a written acceptance of such requested change, which may include a change in price.

Otherwise, any illustrations, performance details, examples of installations and methods of assembly and all other technical data in such literature are based on experience and upon trials under test conditions and are provided for general guidance only.

9. ACCEPTANCE

Buyer shall conduct any incoming inspection tests on goods within 10 days of delivery. In the event of any shortage, damage, or discrepancy in or to a shipment of goods, or pricing discrepancies, Buyer shall promptly give notice, but in no event later than within 30 days of delivery, thereof to Seller, and shall furnish such written evidence or other documentation as Seller reasonably may deem appropriate. If such evidence indicates, in Seller's reasonable judgment, that such shortage, damage or discrepancy existed at the time of delivery of the goods to the carrier, Seller shall promptly deliver additional or substitute goods to Buyer; provided, however, that Seller may, in its sole discretion, require Buyer to return all damaged goods prior to delivery of substitute goods. If Buyer fails to timely give Seller such written notice, Buyer shall be deemed to have accepted the goods and shall pay for the goods in accordance herewith.

10. TERMINATION

Seller shall have the right to cancel all or any part of Purchase Order. In case of Buyer's default, the right of cancellation is in addition to and not in lieu of any other remedies which Seller may have in law or equity.

11. RETURNS

No goods shall be returned to Seller without Seller's prior written authorization to make such returns. All returns, if permitted, are subject to restocking fees.

12. BUYER'S SPECIFICATION
